Letter to:

Tanishk Patidar

Date:

25 JULY, 2026

To Whom It May Concern:

This is to certify that Tanishk Patidar has successfully completed a 2-month internship as a **Junior Frontend Developer** at **Antilabs**. During this period, he demonstrated strong frontend development skills, a solid understanding of modern JavaScript frameworks, and a problem-solving mindset essential for building scalable and responsive web applications.

Throughout the internship, Tanishk worked extensively with React.js and Next.js, contributing to the development of production-ready applications. His key contributions included:

- Developing responsive and user-friendly interfaces using React.js and Next.js.
- Building reusable UI components and maintaining clean, scalable code.
- Integrating frontend applications with backend APIs.
- Optimizing application performance, routing, and rendering.
- Collaborating with the development team to deliver production-ready applications.

Tanishk consistently exhibited professionalism, technical aptitude, and a strong willingness to learn. His contributions added significant value to our projects, and he proved himself to be a dependable member of the development team. We appreciate his commitment and hard work during the internship and wish him continued success in his future endeavors.
