

LETTER OF RECOMMENDATION

Letter to:

Tanishk Patidar

Date:

25 July 2026

To Whom It May Concern:

I am pleased to recommend Tanishk Patidar, who successfully completed his internship as a **Junior Frontend Developer Intern** at **AntiLabs**. During his internship, Tanishk demonstrated strong frontend development skills with a particular focus on React.js and Next.js.

He played an important role in developing modern, responsive, and production-ready web applications. Tanishk showed proficiency in component-based architecture, state management, API integration, responsive design, and performance optimization. He contributed to building scalable frontend applications, collaborated effectively with backend developers, and implemented features that met production standards.

His attention to detail and commitment to writing clean, reusable code greatly improved the quality of our projects. Tanishk's proactive attitude, quick learning ability, and dedication to delivering high-quality work made him a valuable member of our development team. He consistently accepted feedback, adapted to new technologies, and contributed positively to project execution.

I highly recommend Tanishk Patidar for future opportunities in frontend development, particularly in roles involving React.js, Next.js, and modern web technologies. His technical capabilities, professionalism, and work ethic will make him an asset to any organization.

Best Regards,

ARYA SHARMA
